# **Give Back to the Future of Your Profession Become an AXP Supervisor or Mentor**

In an effort to support the next generation of architects, NSBAIDRD is asking its architectural registrants to consider becoming an Architectural Experience Program (AXP) supervisor or mentor. Serving in either of these positions will allow you to play a vital role in the future of the profession of architecture.

For more information about becoming an AXP supervisor or mentor, visit the National Council of Architectural Registration Boards' (NCARB) [website](#).

Please contact one of Nevada's appointed architect licensing advisors, Dennis Panars, AIA, EDAC, LEED AP BD+C at [Dpanars@sh-architecture.com](mailto:Dpanars@sh-architecture.com) or Glenn NP Nowak, Associate Professor, Graduate \Coordinator of UNLV School of Architecture at [glenn.nowak@unlv.edu](mailto:glenn.nowak@unlv.edu), with any questions concerning supervising or mentoring.
