## **STEPPING THRU ACCESSIBILITY – Seminar Series**

*Featured Speaker - Janis Kent, AIA CASp*

Ms. Kent's presentations will be focused on the Americans with Disabilities Act (ADA) and accessibility requirements in Nevada and California. Janis Kent is a Certified Access Specialist (CASp) and a licensed California architect with over 30 years of experience. She is the founding president of the Certified Access Specialist Institute (CASI) which has been developed to provide a focal point on accessibility information.

### **8:00am – Noon -Stepping Thru Existing Buildings**

This session will cover accessibility considerations for existing buildings whether or not alterations or construction is planned.

This includes a review of requirements per 2010 ADA Standards for Barrier Removal for Places of Public Accommodation (commercial facilities) as well as Program Accommodation for Public Entities (state & local government).

### **1:00pm – 3:00pm -Stepping Thru Accessible Businesses**

An overview will be presented of 'readily achievable barrier removal' that needs to be implemented even if no construction has been done. Differences between today's requirements for building codes and the ADA will be discussed. This session includes review and discussion on the common items of non-compliance that open up risk and items the business or building owner needs to deal with from an ongoing facility management viewpoint.

### **3:00pm – 5:00pm - Stepping Thru Accessible Environments As We Age**

This segment includes a general overview of what elements in our environment whether at work, play, or home can be included now for us to easily age in place later. Learn about different design considerations that can be addressed within our built environment to allow us to age in place and also allow others with issues concerning accessibility or aging to visit us.
